Dated: July 26, 2023

Notice

This is to notify that the **Special Supplementary Examination 2023** will be held during **August 07 to August 14, 2023** for the students of **B.Tech. VIII Semester [Academic Session 2022-23]** and students registering in **B.Tech. VII Semester [Academic Session 2023-24]**.

The ACD students of above-mentioned semesters are allowed to appear in the Special Supplementary Examination 2023 in maximum of five courses with any number of combinations of course works related to theory, practical and project. For these courses, the ACD students are also allowed to appear with the combination of previously obtained E, F, X and D grades to remove ACD.

The students are required to register for the Special Supplementary Examination 2023 during July 26 – 29, 2023 as per the details available on Academic portal of the Institute Website (<http://academics.mnnit.ac.in>).
